Metro Community Housing Association (MCHA) is a not-for-profit, community-based agency that provides support and residential services to persons who have experienced mental health difficulties. MCHA serves approximately 150 residents at our community homes and apartments. MCHA strives to create stability for our clients by providing safe, clean and well maintained homes, and support services that help them integrate into the community. MCHA operates with an annual budget of approximately \$11 million. We have a staff of approximately 200 employees who are led by an Executive Director.

MCHA is governed by a volunteer Board of Directors of 10 – 12 members. The Board oversees the MCHA Executive Director who is responsible and accountable for all operations of Metro Community Housing Association. The Board has an Executive Committee which consists of a President, a Vice President, a Treasurer and a Secretary.

We are looking to recruit an experienced chartered professional accountant to be part of the MCHA Board.

Consideration of serving as Treasurer on the Executive Committee would be welcomed. The Board meets once monthly (approximately 2 hours) and holds an Annual General Meeting each June (3-4 hours).

If you are interested in getting involved with MCHA or would like more information, please e-mail Greg Roach (MCHA Board Vice-president) at: greg.roach.halifax@gmail.com
